

WARRANTY POLICY

For L'AIR International Products

This warranty policy is issued to the original purchaser and applies only to L'AIR International products, which have been used for their intended purpose, installed and used within manufacturer's specifications for site conditions, within designed capacities, and not subject to abuse, misuse, and/or improper installation.

More specifically, this warranty does not cover damage caused in whole or in part by failure to comply with manufacturer's specifications or manufacturer's care and maintenance recommendations for product during off-load, storage, installation, and usage, by but not limited to, casualty, ordinary wear, warping and other problems arising from but not limited to climactic control failures, usage of L'AIR Systems in installations not within L'AIR specifications for installation, abuse, use or method of use for which flooring is not designed, faulty construction of the building, settlement of the building, failure or unspecified elevation consistency (inconsistency) of the installation sub-floor, and excessive dryness or excessive moisture from humidity, spillage, migration through the slab or wall, or any other source.

The surfaces of the L'AIR Floor Systems are designed for and are to be covered with specified L'AIR overlay, as the performance surface. Manufacturer's warranty does not claim to assure specific traction qualities or warrant traction qualities of any of its performance surfaces. Surface damage, or damage from load, (weight) of any type, is not warranted.

All L'AIR material and workmanship shall be warranted against defects from the date of substantial completion at the project site. At its discretion, L'AIR will repair or replace any materials found to defective within the warranty periods stated below for each specific product:

- L'AIR Engineered Suspended Flooring Systems – (3) Three years
- L'AIR Professional DanceVinyl – (5) five years
- L'AIR Encore & DanceVinyl Transports- (1) one year (excluding casters)
- L'AIR Professional Ballet Barres – (1) one year
